

Welcome to the *2024 New Zealand Rose Review*.

Once again, it is a pleasure to bring you news, reviews and information on our new and newly released roses available in New Zealand.

In this issue, we pay tribute to the Dickson family of rose breeders from Northern Ireland whose roses have graced our gardens for generations.

We also highlight two new roses named for charities and also profile the new owner of Tasman Bay Roses

Please support our advertisers wherever you can.

Enjoy your roses.
