Weekend Activities

Amore Roses Visit (Sunday)

Launching Amoré Roses in 2009 has taken Jan's love for roses to a whole new level. "I feel so fortunate that my profession allows me to be surrounded by colour, perfume and magical blooms every day. You can't help but be inspired" she says.

We have organised a private visit to Amore and one of our sponsors, Stihl will have a display of their products for us to peruse and purchase from if we wish.

A boxed lunch will be available at Jans.

Rogers Rose Garden (from 2.30pm Saturday)

'NZ Rose of the Year' Judging registrants only.
We invite you to vote for the 'NZ Rose of the Year' during Saturday. Select five favourite roses and record on the official form and place in the box provided at the rose show.
